RE: Youth, Education, Safety Committee of Franklin Township
also known as "YES" Committee

Dear Sir or Madam:

Enclosed you will find the Report of Receipts and Expenditures of the above Committee, which I trust you will find to be in order. I am enclosing an extra copy which I would appreciate your marking "filed" and return to our law firm and enclosed you will also find a stamped, self-addressed envelope for the return of same.

Again, I trust this meets with your approval and if you have any questions, please call.

Very truly yours,

John A. Kitley
